

The Ridgeline Estate

Positioned within the upper portion of a dramatic 4.61-acre hillside lot, The Ridgeline Estate is envisioned as an ultra-modern residence designed to capture expansive Hill Country and Lake Travis views. The home responds carefully to the natural slope through elevated placement. A landscaped private driveway creates a gradual arrival experience from Mira Lago Drive, leading to a generous motor court and four-car garage.

Lot Area	Area	Levels	Garage	Lake Access
4.61 Acres	~ 7,500 SF	2	4-Car	Private Dock
